

Achieving Compliance with the Employment of Foreign Manpower Act

14 January 2025, Tuesday
09:30 - 12.00 (Online Training via Zoom)

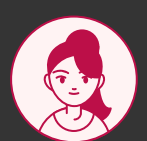

Singapore's thriving business landscape is closely tied to its foreign workforce, regulated by the Employment of Foreign Manpower Act (EFMA). The Ministry of Manpower has rolled out critical updates that will reshape the hiring and management of Employment Pass (EP) and S Pass holders. New salary thresholds came into effect in September 2022, followed by the COMPASS framework in 2023 for both new applications and renewals. Employers must also enhance medical insurance coverage for migrant workers. Join this webinar to stay ahead and ensure your business adapts seamlessly to these changes.

This workshop will explore critical issues surrounding the:

- **EFMA Overview:** Key objectives and regulatory framework.
- **Work Pass Types:** Eligibility criteria for different passes.
- **Employer Responsibilities:** Compliance and obligations.
- **Legislative Updates:** Recent changes and their impact.
- **Managing Foreign Manpower:** Best practices for effective management.
- **Remote Work:** Engaging non-operational foreign employees abroad.
- **Post-Pandemic Remote Work:** Benefits and considerations.
- **Work Pass Requirements:** When overseas workers need passes.
- **Contract Types:** Differences between contracts of service and for service.
- **Tax Implications:** Related tax considerations and obligations.
